### REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: The prior art taken either singularly or in combination fails to anticipate or fairly suggest the limitations of the independent claim(s), in such a manner that a rejection under 35 U.S.C. 102 or 103 would be proper. The prior art fails to teach a combination of all the claimed features as presented in independent claims 1, 9, 11, 15, 19 and 25, which include a curved face for totally reflecting light when an incident angle of the light is greater than a critical angle of the light, as embodied in the claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Ricky Mack whose telephone number is (703) 305-6984. The examiner can normally be reached on Monday-Friday from approximately 7:00 a.m. to 4:30 p.m.
